LIMITATIONS AND EXCLUSIONS

Only Loss For Cancer: This Policy pays only for loss resulting from definitive Cancer treatment including direct extension, metastatic spread, or recurrence. Proof must be submitted to support each claim. This Policy also covers other conditions or diseases directly caused by Cancer or the treatment of Cancer.

Pre-Existing Condition Limitation: No benefits are payable for any loss incurred during the first year of the Covered Person's coverage under this Policy as the result of a Pre-Existing Specified Disease, as defined in this Certificate. Pre-Existing Conditions specifically named or described as excluded in any part of this contract are never covered.

Pre-Existing Condition Limitation - Hospital Intensive Care Rider: No benefits will be provided during the first two years of this rider for hospital intensive care unit confinement caused by any heart condition when any heart condition was diagnosed or treated prior to the 30th day following the covered person's effective date for this rider.

Waiting Period: This Policy/Certificate contains a 30-day Waiting Period during which no benefits will be paid under this Policy/Certificate. If any Covered Person has a Specified Disease diagnosed before the end of the 30-day period immediately following the Covered Person's effective date, coverage for that person will apply only to loss that is incurred after one year from the effective date of such person's coverage. If any Covered Person is diagnosed as having a Specified Disease during the 30-day period immediately following the effective date, the Insured may elect to void the Certificate from the beginning and receive a full refund of premium.

If this Policy replaced Specified Disease Cancer coverage from another company that terminated within 30 days of the effective date of the Certificate, the 30-day Waiting Period will be waived for those Covered Persons that were covered under the prior coverage. However, the Pre-Existing Condition Limitation paragraph will still apply.

Continuation Rider: Coverage is continued when the Insured (You) cease employment with the employer through whom You originally became insured under the Policy. You will have the option to continue this certificates (including any Riders, if applicable) by paying the premiums directly to Us at Our home office. Premiums must be paid within thirty-one (31) days after employment with your employer terminates. Premium rates required under this Continuation provision will be the same rates as those charged under the Employer's Policy as if You had continued employment. We will bill You for these premiums after You notify Us to continue this coverage. Coverage will continue until the earlier of: (1) the Policy under which You originally became insured ends; or (2) You stop paying premiums under this option (subject to the terms of the Grace Period)
