

Easy benefit access

UnitedHealthcare Vision

Here's a healthy way to see things.

Step 1. Review your benefits

Carefully review your benefits to determine your plan design and applicable copays. A copy of your benefits brochure may be obtained from your benefits representative, or you can access our Web site, www.myuhcspecialtybenefits.com, to obtain specifics of your plan.

Step 2. Find a provider

To locate a provider, simply log on to www.myuhcspecialtybenefits.com and select the provider locator option. You may also contact UnitedHealthcare Vision's 24-hour, toll-free Interactive Voice Response (IVR) system at 1.800.839.3242 and follow the prompts to locate the provider nearest you.

Step 3. Call the provider to schedule your appointment

Once a provider is chosen, simply call the provider directly to schedule your appointment. Provide the primary insured's unique identification number and the patient's name and date of birth and identify yourself as having UnitedHealthcare Vision coverage.

Step 4. Receive your eye exam

The network provider, a state-licensed optometrist or ophthalmologist, will perform a complete eye examination, which includes a case history of the patient, an examination for eye pathology and abnormalities, visual analysis (refraction), confrontation visual fields testing, condition diagnosis, and prescription determination.

Step 5. Choose your eyewear

If prescription eyewear is necessary, your UnitedHealthcare Vision provider will assist with your selection and order your prescription. Your UnitedHealthcare Vision provider will telephone you when your eyewear arrives. Eyewear is dispensed at the provider's office to ensure optical accuracy and proper fit.
